“Run if you can. If you cannot run, walk. If you cannot walk, crawl. If you cannot crawl, then find someone to carry you. Whatever you do, keep moving.” – Dr. Martin Luther King

Greeting Comrade,

GLOBAL AFRIKAN CONGRESSuk FULLY SUPPORT THE EFFORT TO ELECT REPRESENTATIVES FOR THE 6th REGION FROM THE 6th REGION.

We are willing to put our effort and resources towards this objective.

We are therefore writing to the Afrikan Union and all other organisations who have taken another position on this matter, to reconsider their position, and join us.

‘You need to check what time of day it is’.

Afrikans all over the world, outside and inside the continent have long been asking for those Afrikans living or forced to live outside of Afrika, for them to be recognise and given their rightful place as part of the Organisation of Afrikan Union and its successor the Afrikan Union. This is now once again within all of our reach and all of us must step up to make it happen and none should be found standing in our way, using european intransigence and obstruction.

Join us in our demand for Reparations. The whole world is on our side.

Glenroy watson

“May the Creator Grace our efforts & the Ancestor guide our directions”.

“Afrikan enslavement/Colonialism were crimes. Fight for Reparations NOW!”
